

FIFTH NATIONAL CONFERENCE OF THE BULGARIAN ENERGY AGENCIES

26– 27 November 2009

NOVOTEL PLOVDIV, PLOVDIV, BULGARIA

INVITATION

DEAR LADIES AND GENTLEMEN,

On behalf of the Association of Bulgarian Energy Agencies, it is my pleasure to invite you to join us for the Association's Fifth Annual Conference: "MOVING TO RENEWABLE ENERGY SOURCES FOR HEATING, ELECTRICITY AND BIOFUELS". The Conference will be held on 26 and 27 November 2009 in Novotel Plovdiv, Plovdiv, Bulgaria.

Accompanying event will be an International exhibition for renewable energy sources.

The forum will be attended by participants from Bulgaria and the European countries. The conference participants will be able to present their reports, successful projects, achievements, results, to participate in discussions about the opportunities and challenges in the implementation of renewable energy sources projects in Bulgaria.

The purpose is to bring together policymakers, businesses, representatives from Bulgarian municipalities, energy experts, energy agencies and other stakeholders.

The main topics of the conference are:

- The utilization of biomass and solar energy– a way of successful regional development;
- Good practices for biomass;
- Usage of solar thermal and photovoltaic systems;
- Biofuels;
- Innovative projects of Energy Agencies.

We would also like to offer your firm the opportunity to be one of the valued sponsors of the Conference. Information on sponsorship is enclosed.

ABEA organizes Study tour for the participants in Ahira– producer of wood pellets, Demonstration PV plant in "Profil - I", Plovdiv, Heating plant on biomass in Ihtiman and PV park Paunovo

I sincerely hope that you will be able to join us for what promises to be a stimulating two days in the magical setting of Plovdiv.

Sincerely,

Liyana Adjarova
Chair
Association of Bulgarian Energy Agencies
